

***Expression of Condolence for Marilyn Morrison
by Toronto City Council***

Moved by: Councillor Shelley Carroll

Seconded by: Councillor Chris Moise

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Marilyn Morrison on April 8, 2026.

Born in Glasgow, Scotland in 1930, Marilyn Morrison immigrated to Toronto in 1952, making this city her home for over seven decades. She was a woman of remarkable character and independence who lived life fully and on her own terms. Marilyn leaves behind a cherished legacy and the warm memories of all who had the privilege of knowing her. She is lovingly survived by her sister, Janette (Morrison) Howard; her niece, Victoria (William) and son, Dylan Walseth; her cousins, Marylin and Alison McLean; and a devoted circle of dear friends including Angela, Faye, Pat, Perry, and many others whose lives she touched. Her strength of spirit was a reflection of the remarkable woman who raised her, Elizabeth Crawford.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Marilyn Morrison's family.
