

## Petition: Expand the Conservatory at Allan Gardens

Learn more about the Allan Gardens Conservatory expansion at [friendsofallangardens.ca/legacy](https://friendsofallangardens.ca/legacy)

**Clause:** I support the Friends of Allan Gardens' initiatives to expand the Allan Gardens Conservatory, doubling the area under glass, and to improve the outdoor garden spaces, as outlined in Refresh (2017) and Growing with the City (2023), and I call on our elected officials, and the broader community to work together to support and endorse this once-in-a-generation civic building project.
