Re: Reopening of the item SC28.24 - Waldock Street - Parking Zones Adjustments

Dear Colleagues,

I am requesting to reopen Item SC28.24 - Waldock Street - Parking Zones Adjustments, which was adopted by the Scarborough Community Council on January 13, 2026.

Transportation Services identified that the original wording in Recommendation 1 omitted the reference to the north side of Waldock Street, and Recommendation 2 did not include the street name or specify the side of the street.

As the original approval occurred less than one year ago, Council procedures require that the previously approved item be re-opened in order to amend parking regulations.

Recommendation:

1. Scarborough Community Council Re-open Item SC28.24, titled "Waldock Street - Parking Zones Adjustments" with respect to Recommendations 1 and 2.
2. Scarborough Community Council delete Recommendations 1 and 2 of its decision on Item SC28.24 and adopt the following instead:
 1. Scarborough Community Council amend the existing school bus loading zone, in effect from 8:00 a.m. to 5:00 p.m., on the north side of Waldock Street, between a point 133 metres east of Galloway Road and a point 37 metres further east, to be in effect between a point 151.5 metres east of Galloway Road and a point 18.5 metres further east.
 2. Scarborough Community Council amend the existing maximum 30-minutes parking regulation, in effect from 8:00 a.m. to 4:00 p.m., Monday to Friday, on the north side of Waldock Street between a point 90 metres east of Galloway Road and a point 43 metres further east, to be in effect between a point 90 metres east of Galloway Road and a point 61.5 metres further east.

Sincerely,

Paul W. Ainslie
