Re: Parking Amendments - Stornoway Court (25, Scarborough-Rouge Park)

---

Transportation Services has been requested by the Ward 25 Councillor to provide recommended wording for recommendations they plan to present to the February 19, 2026, Scarborough Community Council. Staff request that this memorandum accompany the member's submission.

## **Summary**

- Staff **support** the draft recommendations provided below
- Staff **do not support** the draft recommendations provided below
- Staff **do not have sufficient data and/or time to determine if the draft recommendations provided below can be supported by staff, at this time.**

## Draft Recommendations

1. *Scarborough Community Council prohibit standing at all times on both sides of Stornoway Court, between Manse Road and the north end of Stornoway Court.*

Transportation Services received a request from the Councillor's office to modify the existing parking regulations on Stornoway Court by prohibiting standing at all times on both sides of the street. Due to the urgency of the request, staff did not have sufficient time to undertake a detailed investigation of this matter.

## **Financial Impact**

Staff have not been able to develop engineering estimates for this work but based on previous experience and similar work in the past, we expect the costs associated with approving the draft recommendations above will be approximately \$1,050.00. As this work was not anticipated, it has not been specifically included in any approved budgets. Completion of the work would be subject to availability and competing priorities within future Transportation Services Operating Budgets, unless a specific funding source is identified by the councillor and approved by Scarborough Community Council.
