Dear Chair and Members,

Re: Raleigh Avenue - Parking Amendment – Re-opening item SC23.22

BACKGROUND:

Despite previous amendments to address parking concerns on Raleigh Avenue, the changes have not achieved the intended relief, and the issues persist.

Raleigh Avenue is a residential street where local businesses and residents have been repeatedly inconvenienced by ongoing disregard for current parking bylaws. Issues include illegal parking, blocking of driveways, storage of unlicensed vehicles on the street, and general obstruction of traffic. Direct communication has not resolved the matter, and while Parking Enforcement has responded to numerous complaints and ticketed accordingly, the conduct continues. Both Parking Enforcement and Transportation Services have indicated that a further Parking By-law amendment would be helpful in relieving some of these concerns.

Therefore, on behalf of the residents and businesses along Raleigh Avenue, and by reopening of this item, I am requesting the following.

RECOMMENDATION:

It is recommended that:

1. Scarborough Community Council reopen Item SC23.22, titled "Raleigh Avenue and Moira Avenue - Parking Amendments " with respect to Part 6 and Part 7 of the decision of the Scarborough Community Council.
2. Scarborough Community Council delete Part 6 and Part 7 of its decision on Item SC23.22 and adopt the following:
 1. Scarborough Community Council prohibit stopping at all times on the south side of Raleigh Avenue, between a point 80 metres south of Glasgow Avenue and North Bonnington Avenue.

Sincerely,

Parthi Kandavel
City Councillor
