RE: MORRISH RD. TRAFFIC CALMING

Dear Scarborough Community Council,

This letter is a follow-up to the request of community members to implement traffic calming measures on Morrish Road. Staff have completed the necessary drawings for the installation of speed humps. Community members and the Highland Creek Community Association have asked our office for this, and our office surveyed the residents who live on the road who are fully supportive. The recommendations to install speed humps and cushions is another step towards the introduction of additional traffic calming measures in an area that has a need for increased traffic safety.

Recommendations:

City Council authorize the installation of traffic calming (two speed cushions) on Morrish Road, between Ellesmere Road and Canmore Boulevard, generally as shown on the attached Drawings No. TC-674-2 and TC-674-3, dated March 2026 from the Director, Enforcement and Street Management, Transportation Services.
