Re: Item SC28.13

Dear Chair and Members of Scarborough Community Council,

I am writing to formally submit the attached petition in support of the proposed pedestrian crossover at Legion Road.

This request is being brought forward due to ongoing safety concerns expressed by residents who regularly use this crossing, including seniors, families with children, and individuals with mobility challenges. The current conditions make it difficult to cross safely, particularly during peak traffic periods and in low-visibility conditions.

The petition reflects strong community support for this safety improvement. Residents have consistently shared that a pedestrian crossover would significantly improve accessibility, reduce risk, and create a safer environment for everyone who relies on this route.

We respectfully ask that Scarborough Community Council consider this petition as part of its deliberations and support the installation of a pedestrian crossover at this location.

Thank you for your time, consideration, and continued work to improve safety across our neighbourhoods.

Sincerely,

Parthi Kandavel
City Councillor
Ward 20 - Scarborough Southwest

Re: Proposed Kingston Road and Kildonan Drive / Eastwood Avenue – Traffic Control Signals. Item 2026.SC28.13

We below sign a petition in support of traffic control signals in proximity to Royal Canadian Legion Scarborough Branch #13. Ongoing traffic safety concerns in the way of traffic volume and high speeds make it difficult to safely cross Kingston Road for members, visitors and surrounding community.
