Re: Glebe Road East - Parking Amendments (Ward 12, Toronto-St. Paul's)

Transportation Services has been requested by the Ward 12 Councillor to provide recommended wording for recommendations they plan to present to the February 19, 2026, Toronto and East York Community Council. Staff request that this memorandum accompany the Councillor's letter.

## Summary

- X Staff **support** the draft recommendations provided below
- Staff **do not support** the draft recommendations provided below
- Staff do not have sufficient data and/or time to determine if the draft recommendations provided below can be supported by staff, at this time.

## Draft Recommendations:

1. *Toronto and East York Community Council amend the existing standing prohibition in effect at all times, on the north side of Glebe Road East, between Yonge Street and Tullis Drive, to be in effect between Yonge Street and a point 42 metres east, and between a point 67 metres east of Yonge Street and Tullis Drive.*
2. *Toronto and East York Community Council prohibit standing in effect from 12:01 a.m. to 8:45 a.m., and from 9:15 a.m. to 3:15 p.m., and from 3:45 p.m. to 11:59 p.m., Monday to Friday and at all times on Saturday and Sunday, on the north side of Glebe Road East, between a point 42 metres east of Yonge Street and a point 25 metres further east.*
3. *Toronto and East York Community Council authorize parking for a maximum period of 15 minutes from 8:45 a.m. to 9:15 a.m., and from 3:15 p.m. to 3:45 p.m., Monday to Friday, on the north side of Glebe Road East, between a point 42 metres east of Yonge St and a point 25 metres further east.*
4. *Toronto and East York Community Council amend the existing maximum one-hour parking prohibition in effect from 8:00 a.m. to 6:00 p.m., on the south side of Glebe Road East, between Yonge Street and Tullis Drive, to be in effect between a point 73.5 metres east of Yonge Street and Tullis Drive.*

5. *Toronto and East York Community Council prohibit parking from 8:00 a.m. to 9:30 a.m., and from 3:00 p.m. to 6:00 p.m., Monday to Friday, on the south side of Glebe Road East, between a point 37 metres east of Yonge St and a point 36.5 metres further east.*
6. *Toronto and East York Community Council authorize parking for a maximum period of one-hour from 9:30 a.m. to 3:00 p.m., Monday to Friday, and from 8:00 a.m. to 6:00 p.m., Saturday and Sunday, on the south side of Glebe Road East, between a point 37 metres east of Yonge Street and a point 36.5 metres further east.*

In an effort to improve pick-up and drop-off activity, the Ward Councillor's office, on behalf of Study Academy's Lower School (No. 20 Glebe Road East), and the community is requesting to establish a short-term parking area, fronting the school on the north side of Glebe Road East, between Yonge Street and Tullis Drive.

Transportation Services conducted a site visit to confirm the existing signage, verify parking regulations, and assess the feasibility to provide short-term parking fronting the school. Currently, standing is prohibited at all times on the north side of Glebe Road East and parking is permitted for a maximum of one-hour on the south side of the street. Given the existing road width of 8.5 metres, it is possible to amend the existing parking regulations to provide a short-term parking area, fronting the school, for parents/guardians to accompany students to/from the school. The proposed changes will not result in the loss of any existing on-street parking spaces on the north side of Glebe Road East. However, it will be necessary to amend the parking regulations opposite the school, which may potentially inconvenience residents.

As there has been consultation with the community and the school staff, Traffic Operations have no objections to the requested changes.

### **Financial Impact**

Staff have not been able to develop engineering estimates for this work but based on previous experience and similar work in the past, we expect the costs associated with approving the draft recommendations above will be approximately \$3,200.00. As this work was not anticipated, it has not been specifically included in any approved budgets. Completion of the work would be subject to availability and competing priorities within future Transportation Services Operating Budgets, unless a specific funding source is identified by the councillor and approved by Toronto and East York Community Council.
