Re: Queen Street East Replacement Parking

Dear Councillor Moise and Toronto and East York Community Council,

The Queen Street Watermain and TTC Track Replacement project has required the temporary removal of 25 paid parking spaces between Davies and Broadview Avenues to support construction staging and traffic management. The area has already faced significant parking, and traffic impacts due to earlier emergency watermain work. The continued occupation of parking spaces despite construction delays, and the lack of proactive planning for replacement parking, has created ongoing concerns for residents and the local BIA. Staff have since identified potential temporary replacement parking on Davies Avenue and Hamilton Street

Recommendations:

The Toronto and East York Community Council:

1. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times, on the east side of Davies Avenue between a point 30 metres north of Queen Street East and Thompson Street.
2. Toronto and East York Community Council authorize parking for a maximum period of 1 hour from 8:00 a.m. to 6:00 p.m. on the east side of Davies Avenue between a point 30 metres north of Queen Street East and Thompson Street.
3. Toronto and East York Community Council prohibit parking in effect daily from 6:00 p.m. of one day to 8:00 a.m. of the next following day on the east side of Davies Avenue between a point 30 metres north of Queen Street East and Thompson Street.
4. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times, on the east side of Hamilton Street between Thompson Street and a point 20 metres south.
5. Toronto and East York Community Council authorize parking for a maximum period of 1 hour from 8:00 a.m. to 6:00 p.m. on the east side of Hamilton Street between Thompson Street and a point 20 metres south.
6. Toronto and East York Community Council prohibit parking in effect daily from 6:00 p.m. of one day to 8:00 a.m. of the next following day on the east side of Hamilton Street between Thompson Street and a point 20 metres south.

7. Toronto and East York Community Council direct that Davies Avenue and Hamilton Street be returned to pre-construction traffic and parking regulations when regular Toronto Transit Commission streetcar service has resumed along Queen Street East, Broadview Avenue to Davies Avenue, after the TTC track replacement work is complete.

Sincerely,

Paula Fletcher
