Dear Chair and Members,

Re: Traffic Calming – Walter Street (between Kingston Road and Lyall Avenue)

BACKGROUND:

Residents have reached out to my office with concerns about pedestrian safety on Walter Street and on surrounding neighbourhood streets. Our office has received a petition from residents in support of the installation of speed humps on Walter Street.

I am requesting that speed humps be installed on Walter Street between Kingston Road and Lyall Avenue.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council authorize the installation of traffic calming (three speed humps) on Walter Street, between Kingston Road and Lyall Avenue, generally as shown on the attached Drawing No. TC-645, dated January 2026 from the Director, Enforcement and Street Management, Transportation Services.

Respectfully,

Brad Bradford

Toronto City Councillor
