## **RE: Re-opening and Amending TE25.42 - Accessible Parking Spaces**

Dear Chair and Members of Toronto and East York Community Council,

At the September 18, 2025 meeting of Toronto and East York Community Council, an accessible parking space was approved on Gladstone Avenue. The original applicant recently notified Transportation Services that this accessible parking space is no longer required.

As a year has not passed since the adoption of this item, a motion is required to re-open and rescind installation of this accessible parking space on Gladstone Avenue.

### **RECOMMENDATION**

It is recommended that:

1. Toronto and East York Community Council re-open Item TE25.42 entitled "Accessible Parking Spaces - September 2025 (Delegated)".
2. Toronto and East York Community Council amend its previous decision on Item 2025.TE25.42 by:
  - a. deleting the entry in Attachment 1 to the report (September 18, 2025) from the Director, Enforcement and Street Management, Transportation Services, only as it pertains to the accessible parking space on the east side of Gladstone Avenue as follows:

##### **Ward 9 Location**

Gladstone Avenue, east side, between a point 21.5 metres south of Hallam Street and a point 5.5 metres further south
