RE: Camberwell Road - Parking and Traffic Amendments

Dear Chair and Members of Toronto and East York Community Council,

I am kindly asking for your support of my motion to remove three parking spots and install a “No Standing” zone on the west side of Camberwell Rd, between Eglinton Avenue West and a point 41 metres further south.

Like many streets in the proximity of the Eglinton Ave West and Allen Rd intersection, Camberwell Rd experiences significant congestion during peak travel times. The three parking spots currently designated on the west side of Camberwell prevent the simultaneous movement of left and right-hand turning vehicles onto Eglinton, contributing to a bottle neck which extends throughout the neighbourhood.

Camberwell residents have reached out to my office requesting the removal of these parking spots as a means of easing the congestion along their street.

Following the redesign of the Eglinton Ave West and Allen Rd intersection and improvements to traffic flow in the neighbourhood, our office would be pleased to assess the feasibility of re-introducing parking at this location.

RECCOMENDATION:

It is recommended that:

1. Toronto and East York Community Council rescind the existing parking machine regulation in effect from 8:00 a.m. to 6:00 p.m., Mon. to Sat., at a rate of \$3.25 per hour and for a maximum period of three hours, on the west side of Camberwell Road, between Eglinton Avenue West and a point 41 metres further south.
2. Toronto and East York Community Council prohibit standing on the west side of Camberwell, between Eglinton Avenue West and a point 41 metres south.

3. Toronto and East York Community Council designate the easterly northbound lane on Camberwell Road, from Eglinton Avenue West to a point 30.5 metres south, for northbound right turns only.
4. Toronto and East York Community Council designate the westerly northbound lane on Camberwell Road, from Eglinton Avenue West to a point 30.5 metres south, for northbound left turns only.

Sincerely,
