Date: April 13, 2026

To: Toronto and East York Community Council

From: Director, Engineering Support Services, Engineering and Construction Services

Wards: Ward 10 - Spadina - Fort York

SUMMARY

This report recommends that the name "Augusta Avenue" be approved to identify the new proposed road south of Dundas Street West, described as Block 3 on 66M-2582.

This naming proposal complies with the City of Toronto Street Naming Policy which can be found at <https://www.toronto.ca/city-government/planning-development/street-naming/>

RECOMMENDATIONS

Director, Engineering Support Services, Engineering and Construction Services recommends that Toronto and East York Community Council:

1. Approve the name "Augusta Avenue" to identify the new proposed road south of Dundas Street West, described as Block 3 on 66M-2582.

FINANCIAL IMPACT

The cost to install street name signage is approximately \$300.00 and is included within the Transportation Services Division's approved 2026 Operating Budget.

DECISION HISTORY

This is the first time that this issue is before Community Council.

COMMENTS

An application was received on September 08, 2025, from a developer requesting the name Augusta Avenue, be approved for new proposed road within the Alexandra Park Revitalization Area, shown as Part 1 on Attachment No.1 Sketch No. PS-2025-042. The naming of Augusta Avenue is required to facilitate municipal addressing at this site. The municipal numbering team was consulted and advised that municipal numbering could be accommodated if the new road was named Augusta Avenue.

The name “Augusta Avenue” is an extension of the existing street by that name, thus no circulation is required for this process. Councillor Ausma Malik, Ward 10 Spadina-Fort York, does not have any concerns respecting the extension.

Community Councils have delegated authority to decide street naming matters which comply with the City of Toronto Street Naming Policy.

The street is shown as PART 1 on Attachment No.1 Sketch No. PS-2025-042.
