Re: Cadorna Avenue – Accessible Parking Space – Reopening item TE26.26

Dear Councillor Moise and Toronto and East York Community Council,

A resident has reached out to the City to request that their accessibility parking spot be removed from their home on Cadorna Avenue. In support of their request I am moving this motion to remove this accessibility parking spot.

Recommendations:

It is recommended that:

1. Toronto and East York Community Council reopen Item TE26.26, headed "Accessible Parking Spaces - October 2025 (Delegated)", from the Director, Traffic Management, Transportation Services, for further consideration, pertaining only to the accessible parking space on the east side of Cadorna Avenue.
2. Toronto and East York Community Council delete the entry in Attachment 1: On-street Accessible Parking Spaces to be Installed/Removed, attached to the report (October 22, 2025) from the Director, Traffic Management, Transportation Services, pertaining only to the accessible parking space on the east side of Cadorna Avenue, and replace it with the following:

On-street accessible parking spaces to be removed (Table 2):

Ward 14 Location:

Cadorna Avenue, east side, between a point 89 metres south of Cosburn Avenue and a point 5.5 metres further south.

Sincerely,

Paula Fletcher

City Councillor Ward 14, Toronto-Danforth
