City of Toronto Municipal Code, Chapter 447 Fences Bylaw set out the requirements in respect to the health, safety and well-being of persons in the City of Toronto regarding structures, including fences. Among other requirements, Chapter 447 sets out requirements for maximum fence heights depending on where the fence is located on the property, as well as if the fence is on a residential or non-residential property. There are also specific height maximums for hedges, shrubs and other vegetation that acts as a fence.

## City Council Decisions

May 22, 23, and 24 2018, City Council adopted the following:

1. City Council amend Chapter 447, Fences, to allow fences that are located in a front yard between two private properties to be a maximum of 2.0 metres in height

and specify that this does not apply to fences within a 2.4 metre distance from a front lot line.

2. City Council amend Chapter 447, Fences, to remove maximum height requirements for any hedge, shrub, or other vegetation that acts as a fence, except when the hedge, shrub, or vegetation is within a 2.4 metre distance from a lot line abutting a public highway, other than a public lane
