Shaftesbury Avenue – Parking Amendment

Summary

Parking signs were removed from Shaftesbury Avenue years ago to facilitate a TTC “Easier Access” project to add elevators to the Summerhill subway station. Residents have been pressing for restoration of the original signs ever since the TTC relinquished the road and sidewalk space it had occupied for so long. Transportation Services has advised that they cannot restore the original signs until a by-law conflict is resolved by this motion.

Recommendations

It is recommended that:

1. Toronto and East York Community Council rescind the existing maximum one-hour parking regulation in effect from 9:30 a.m. to 6:00 p.m., Monday to Saturday, on the north side of Shaftesbury Avenue, between Summerhill Avenue and a point 91.4 metres east of Yonge Street.
