COMMENTS

A complete application was received on April 9, 2026, from a resident requesting the renaming of Ramsden Park Road to “Ramsden Park **Lane**”, thereby changing the street type suffix.

The following background and rationale provided by the applicant:

Ramsden Park Lane

*“The proposed name is Ramsden Park **Lane** which I, and many residents living in the area, feel is a more appropriate description given the geography of the road.”*

*“With its newly surfaced top layer and added sidewalk it is clear from observation of very significant increased pedestrian traffic, particularly including young children, that this is very pleasant **lane** leading into a great park whose usage is very evidently focused on family activities. It does not have the appearance of road.”*

The proposed name has been circulated for comment and is acceptable to Toronto Police Service, Toronto Fire Services, and Toronto Paramedic Services.

Councillor Dianne Saxe, Ward 11 – University - Rosedale, supports this re-naming. There are no properties with municipal addresses fronting onto this road.

Community support was demonstrated through emailed support letters submitted by members of the local community.

Community Councils have delegated authority to decide street naming matters which comply with the City of Toronto Street Naming Policy.

The street is shown as PART 1 on Attachment No.1 Sketch No. **PS-2026-017**.
