

164-168 Isabella Street – Rental Housing Demolition Application – Decision Report – Approval

Date: June 18, 2026

To: Toronto and East York Community Council

From: Director, Strategic Initiatives, Policy and Analysis

Ward: 13 - Toronto Centre

Rental Housing Demolition Application Number: 25 210135 STE 13 RH

Related Planning Application Number: 25 210128 STE 13 OZ

SUMMARY

This report recommends approval of a Rental Housing Demolition application which proposes to demolish and replace 38 rental dwelling units located at 164-166 Isabella Street. The proposal includes a Tenant Assistance Plan that addresses the right of existing tenants to return to replacement rental units at similar rents and provides financial compensation to mitigate hardship.

The proposed development on the site at 164-168 Isabella Street is the subject of a related Official Plan and Zoning By-law Amendment application (25 210128 STE 13 OZ). The proposed development would permit a 70-storey residential building with 599 dwelling units, including a total of 50 replacement rental units. The 50 replacement rental units consist of 12 studio units to replace the existing 25 rental dwelling rooms at 168 Isabella Street and the 38 rental dwelling units proposed for demolition and replacement in this report. An approval report for the Official Plan and Zoning By-law Amendment application has been advanced concurrently with this Rental Housing Demolition application approval report.

This report also recommends approval of the Residential Demolition Permit under Chapter 363 of the Toronto Municipal Code, subject to conditions.

RECOMMENDATIONS

The Director, Strategic Initiatives, Policy and Analysis recommends that:

1. City Council approve the Rental Housing Demolition application File Number 25 210135 STE 13 RH in accordance with Chapter 667 of the Toronto Municipal Code and pursuant to Section 111 of the City of Toronto Act, 2006 to permit the demolition of 38

existing rental dwelling units located at 164-166 Isabella Street, subject to the following conditions:

- a. The owner shall provide and maintain 38 replacement rental dwelling units on the subject site for a period of at least 20 years beginning from the date that each replacement rental dwelling unit is first occupied and, during which time, no application may be submitted to the City for condominium registration, or for any other conversion to a non-rental housing purpose, or for demolition without providing for replacement;
- b. The replacement rental dwelling units required by Recommendation 1.a. above shall collectively have a total gross floor area of at least 1,584 square metres and be comprised of 38 studio units, as generally illustrated in the plans submitted to City Planning dated June 2, 2026. Any revision to these plans shall be to the satisfaction of the Chief Planner and Executive Director, City Planning;
- c. The owner shall, as part of the 38 replacement rental dwelling units required in Recommendation 1.a above, provide at least 9 studio units at affordable rents, 17 studio units at mid-range (affordable) rents, and 12 studio units at mid-range (moderate) rents, as currently defined in the City's Official Plan, all for a period of at least 10 years beginning from the date of first occupancy of each unit;
- d. The owner shall provide a Tenant Assistance Plan for tenants of the 38 existing rental dwelling units to be demolished to the satisfaction of the Chief Planner and Executive Director, City Planning;
- e. The owner shall provide tenants of all 38 replacement rental dwelling units with access to, and use of, all indoor and outdoor amenities in the proposed 70-storey building at no extra charge. Access to, and use of, these amenities shall be on the same terms and conditions as any other resident of the building without the need to pre-book or pay a fee, unless specifically required as a customary practice for private bookings;
- f. The owner shall provide ensuite laundry and central air conditioning in each replacement rental dwelling unit at no extra charge;
- g. The owner shall provide tenants of all replacement rental dwelling units with access to bicycle and visitor parking on the same terms and conditions as any other resident of the proposed development;
- h. The replacement rental dwelling units required in Recommendation 1.a. above shall be made ready and available for occupancy no later than the date by which 70% of the new dwelling units in the proposed development, exclusive of the replacement rental dwelling units, are made available and ready for occupancy, subject to any revisions to the satisfaction of the Chief Planner and Executive Director, City Planning; and
- i. The owner shall enter into, and register on title to the lands, an agreement pursuant to Section 111 of the City of Toronto Act, 2006 to secure the conditions

outlined in Recommendations 1.a. through 1.h. above all to the satisfaction of the City Solicitor and the Chief Planner and Executive Director, City Planning.

2. City Council authorize the Chief Planner and Executive Director, City Planning, to issue Preliminary Approval of the Rental Housing Demolition Permit under Chapter 667 of the Toronto Municipal Code pursuant to Section 111 of the City of Toronto Act, 2006 for the demolition of the 38 existing rental dwelling units located at 164-166 Isabella Street after all the following have occurred:

- a. All conditions in Recommendation 1 above have been fully secured;
- b. The Official Plan and Zoning By-law Amendments for application 25 210128 STE 13 OZ have come into full force and effect;
- c. The issuance of the Notice of Approval Conditions for site plan approval by the Executive Director, Development Review or their designate, pursuant to Section 114 of the City of Toronto Act, 2006, or as otherwise determined by the Chief Planner and Executive Director, City Planning;
- d. The issuance of excavation and shoring permits (conditional or full permit) for the approved development on the site;
- e. The owner has confirmed, in writing, that all existing rental dwelling units proposed to be demolished are vacant; and
- f. The Chief Planner is satisfied that the required replacement and tenant assistance associated with the 25 dwellings rooms proposed for demolition as part of Official Plan and Zoning By-law Amendments for application 25 210128 STE 13 OZ have been secured through one or more agreements.

3. City Council authorize the Chief Building Official and Executive Director, Toronto Building to issue a Rental Housing Demolition Permit under Chapter 667 of the Toronto Municipal Code after the Chief Planner and Executive Director, City Planning, or their designate, has given Preliminary Approval referred to in Recommendation 2 above.

4. City Council authorize the Chief Building Official and Executive Director, Toronto Building to issue a Residential Demolition Permit under Section 33 of the Planning Act and Chapter 363 of the Toronto Municipal Code for 164-166 and 168 Isabella Street after the Chief Planner and Executive Director, City Planning has given Preliminary Approval referred to in Recommendation 2 above, which may be included in the Rental Housing Demolition Permit under Chapter 667 pursuant to section 6.2 of Chapter 363, on condition that:

- a. The owner removes all debris and rubble from the site immediately after demolition;
- b. The owner erects solid construction hoarding to the satisfaction of the Chief Building Official and Executive Director, Toronto Building;

c. The owner erects the proposed building on the site no later than three (3) years from the date that the demolition of the existing rental dwelling units commences, subject to the timeframe being extended at the discretion of the Chief Planner and Executive Director, City Planning; and

d. Should the owner fail to complete the proposed building within the time specified in Recommendation 4.c. above, the City Clerk shall be entitled to enter on the collector's roll, as with municipal property taxes, an amount equal to the sum of twenty thousand dollars (\$20,000.00) per dwelling unit for which a demolition permit is issued, and that such amount shall, until payment, be a lien or charge upon the land for which the Residential Demolition Permit is issued.

5. City Council authorize the appropriate City officials to take such actions as are necessary to implement City Council's decision, including execution of the Section 111 Agreement and any other related agreements.

FINANCIAL IMPACT

There are no financial implications resulting from the recommendations included in this report in the current budget year or in future years.

THE SITE

Description

The site has an area of approximately 1,856 square meters and is located on the north side of Isabella Street, west of Sherbourne Street. (see Attachment 1: Location Map).

Existing Rental Housing

The building at 164-166 Isabella is occupied by a 3-storey residential building that contains 38 rental dwelling units, of which 34 are currently occupied. The breakdown by unit type and rent classification of the rental units at the time of application is outlined in Table 1 below.

Table 1: Existing Rental Dwelling Units and Rent Classifications

Unit Type	Affordable	Mid-range (affordable)	Mid-range (moderate)	Total
Studio	9	17	12	38

168 Isabella Street is a 3-storey residential building that contains 25 rental dwelling rooms with Dwelling Room Tier 1 Affordable rents.

THE APPLICATION

Description

The Rental Housing Demolition application proposes the demolition of 38 rental dwelling units within the existing building at 164-166 Isabella Street. A related Official Plan and Zoning By-law Amendment application proposes to permit the development of a 70-storey residential building with 599 residential units (including 50 replacement rental units). The 50 replacement rental units consist of 38 studio units to replace the existing 38 rental dwelling units at 164-166 Isabella Street and 12 studio units to replace the existing 25 rental dwelling rooms at 168 Isabella Street.

Replacement Rental Units and Dwelling Rooms

The average unit size of the 38 existing studio units at 164-166 Isabella Street is 22 square metres. The applicant has proposed to increase the average replacement unit size to approximately 42 square metres resulting in larger and improved studio units. As a result, the total gross floor area of the replacement units is 1,584 square metres which represents 188% of the existing gross floor area of the rental units proposed to be demolished.

The proposed replacement rental units will have the same unit type and rent classification as the existing rental dwelling units, as outlined in Table 1 above.

The existing 25 rental dwelling rooms will be replaced with 12 studio units, with a total gross floor area of 500 square metres, which results in 100% replacement of the existing gross floor area. All 12 studio units will be secured at dwelling room tier 1 affordable rents.

Tenant Assistance Plan

A Tenant Assistance Plan that addresses tenants' right to return to a replacement unit and assistance to lessen hardship will be provided to all eligible tenants residing in the existing rental dwelling units. Tenant assistance is provided to tenants upon move out after they receive a formal eviction notice.

All tenants, regardless of when they moved in, will receive the following:

- at least six months' notice before having to vacate their existing dwelling unit;
- compensation equal to three months' rent, pursuant to the Residential Tenancies Act (RTA); and
- additional compensation for tenants with special needs, as determined by the Chief Planner.

Eligible tenants—those tenants who moved in prior to the Rental Housing Demolition application being submitted—will receive the following additional assistance:

- the right to return to a rental replacement unit of the same type for rental dwelling unit tenants and a studio unit for rental dwelling room tenants, provided at similar rents;
- rent gap assistance to assist tenants in paying market rents for the period between when they move out and can return, estimated at 36 months;
- additional rent gap assistance if tenants cannot return as scheduled;
- move-out and move-back moving allowances;
- additional financial compensation for tenants with special needs; and
- services of a rental leasing agent to help tenants find and apply to suitable interim housing.

Reasons for Application

The proposal to redevelop the site involves the demolition of rental housing. Since the site contains six or more residential units, of which at least one unit is rental housing, an application is required under Chapter 667 of the City's Municipal Code, the Rental Housing Demolition and Conversion By-law. The By-law requires that an applicant obtain a permit from the City allowing the demolition of the existing rental housing units. The City may impose conditions that must be satisfied before a demolition permit is issued.

A Rental Housing Demolition application was submitted on August 18, 2025. Staff conducted site visits on February 12, 2024 and October 15, 2025. A Tenant Meeting was held on May 20, 2026 details of which are summarized in the Public Engagement section of this report. The applicant submitted revised rental replacement floor plans, dated June 2, 2026, to the City.

The Official Plan and Zoning By-law Amendment application (25 210128 STE 13 OZ) was submitted on August 14, 2025.

POLICY AND REGULATION CONSIDERATIONS

Provincial Land-Use Policies

All decisions of Council in respect of the exercise of any authority that affects a planning matter shall be consistent with the Provincial Planning Statement (2024), and shall conform to provincial plans.

Official Plan

The Official Plan outlines the City's policies and objectives for land use planning and development. Section 3.2.1 of the Official Plan contains the City's policies pertaining to the provision, maintenance and replacement of housing.

Policy 3.2.1.6 requires that new development that would result in the loss of six or more rental dwelling units replace at least the same number, size and type of rental units as exist on the site and maintain rents similar to those in effect at the time of application for a period of at least 10 years.

The policies also require the applicant to develop an acceptable Tenant Assistance Plan, addressing the right to return to the replacement units at similar rents and other assistance to lessen hardship.

The City's [Rental Housing Demolition and Replacement Handbook](#) outlines how Policy 3.2.1.6 is typically implemented.

PUBLIC ENGAGEMENT

Tenant Meeting

An in-person meeting was held on May 20, 2026, to review the City's housing policies, the impact of the proposed demolition on existing tenants, and the proposed Tenant Assistance Plan. The meeting was attended by 16 tenants of the existing rental units and dwelling rooms, representatives of the applicant, City Planning and Development Review staff, and a representative of the local councillor's office. Tenants also submitted written correspondence with additional comments.

Tenants asked questions and expressed concerns about:

- The construction timeline and when tenants will be required to vacate their existing rental units;
- Rents for the replacement units;
- Assistance in finding alternate housing during the construction period;
- What financial compensation would be provided under the City-approved Tenant Assistance Plan and how it would be administered to tenants; and
- Whether the City has contingencies in place for construction delays.

COMMENTS

Provincial Planning Statement and Provincial Plans

Staff's review of this application has had regard for the relevant matters of provincial interest set out in the Planning Act. Staff has reviewed the current proposal for consistency with the PPS (2024). Staff find the proposal consistent with the PPS (2024).

Replacement Rental Housing

Staff are satisfied with the proposed approach to replacing the 38 rental dwelling units by their respective bedroom type and affordability classification. All 38 replacement rental units will be provided with ensuite laundry facilities and central air conditioning,

which represents an improvement over the existing rental housing units. Tenants of the replacement rental units will also have access to bicycle parking, visitor parking, and all indoor and outdoor amenities, on the same terms and conditions as any other resident of the building.

The replacement units will be maintained as rental housing for at least 20 years, beginning on the date the replacement rental units are first occupied. Rents for the replacement rental dwelling units will be set at the same affordability level as the existing rental housing for a period of at least 10 years. Tenants that occupy any of the 38 replacement rental dwelling units during the affordability period will have rents that only increase by the annual provincial Guideline until their tenancies end, irrespective of whether the Guideline applies to the proposed development under the RTA.

The replacement rental units and associated conditions address the replacement requirements of Official Plan policies 3.2.1.6 and are consistent with the City's implementation approach as outlined in the Rental Housing Demolition and Replacement Handbook.

Tenant Assistance Plan

The Tenant Assistance Plan is consistent with the City's current practices as outlined in the [Rental Housing Demolition and Replacement Handbook](#). The Tenant Assistance Plan will support tenants to access and afford suitable housing within the neighbourhood until the new building and replacement rental units are available for occupancy.

The rental replacement matters and tenant assistance plan will be secured through an agreement pursuant to Section 111 of the City of Toronto Act, 2006, to the satisfaction of the Chief Planner and Executive Director, City Planning.

Dwelling Room Demolition

The related Official Plan and Zoning Bylaw application will be considered at the July 8 and 9, 2026 Community Council meeting. That Report includes review and analysis of the proposal to demolish and replace the 25 existing rental dwelling rooms, including securing 12 replacement studio units and assistance to impacted dwelling room tenants to mitigate hardship, including the right to return. In total, 50 replacement rental units will be provided as part of the proposed development and tenant assistance will be provided to all eligible tenants of the existing 25 rental dwelling rooms and 38 rental dwelling units.

The applicant has agreed to secure tenant assistance and replacement for the 25 dwelling rooms proposed to be demolished through an agreement prior to requesting their Rental Housing Demolition Permit. Accordingly, this report includes direction to secure those matters as a condition of the Chief Planner issuing Preliminary Approval of the Rental Housing Demolition Permit.
