Recommended Candidates and Biographies for the Moss Park Arena Board

Pui See Ho

Pui See Ho is a software developer specializing in operations. Her professional background has given her strong skills in project management, financial oversight, stakeholder collaboration, and operational planning. She also brings experience in fundraising across for-profit and non-profit contexts, including identifying prospects, preparing funding-related submissions, and supporting promotional efforts that help raise awareness and engagement. In addition, she brings insight into fundraising approaches across the academic and creative sectors that may help support the board's development efforts. She is a member of the Central Toronto Skating Club and has called Moss Park Arena her home rink for the past seven years. Having discovered skating as an adult, she understands firsthand how accessible and welcoming ice sports can be. She is passionate about helping Moss Park Arena thrive and ensuring more Torontonians have the opportunity to get on the ice.
