Re-open Items TE27.50, Roxborough Street West (Phase 2) - Construction Staging Area – Amendments and TE33.70, Improving Pedestrian Safety on Roxborough Road

Summary

By 2026.TE33.70, Toronto and East York Community Council amended a construction staging area (2025.TE27.50) for the construction of the new multi-unit residential building at 1 Roxborough Street West. That motion required Transportation Services to install a temporary pedestrian crossover 100m west of Paul Hahn Lane for the duration of the construction road occupancy, to ensure that pedestrians on the south side of the road have a safe access to the sole remaining (north side) sidewalk.

Transportation Services has since advised that it is safer and more feasible to construct the pedestrian crossover 40m west of Paul Hahn Lane. Also, the current staging permit expires before the next TEYCC meeting.

4. Toronto and East York Community Council amend its decision by deleting “100 metres” and inserting “40 metres” so that it now reads:

side) sidewalk, until the south sidewalk on Roxborough Street West on the block west of Yonge Street is reopened to pedestrians.
