Cecil Community Centre Board of Management

Summary

I am recommending that the Toronto East York Community Council add to the agenda the attached transmittal from the Executive Director, Cecil Community Centre, dated June 25, 2026.

This report seeks to appoint nominated candidates to the Cecil Community Centre Board.

This transmittal did not meet the TEYCC July agenda closing because their AGM happened on June 24 which was after the TEYCC agenda closed. I am recommending we add this report as new business to be considered at the July TEYCC meeting.
