Re: Ben Kerr Lane - Speed Bumps

Dear Councillor Moise and Toronto and East York Community Council,

Residents have reached out to me about speeding in Ben Kerr Lane. This is a busy area, which services residents, businesses and a religious establishment. The western section of the lane already has speed bumps, while the eastern section is without them.

For the sake of public safety, I am supportive of the installation of speed bumps in this laneway.

RECOMMENDATION:

1. Toronto and East York Community Council authorize the installation of speed bumps on Ben Kerr Lane, between Euston Avenue and the east end of Ben Kerr Lane, as shown in Drawing No. TC-739, dated June 2026, from the Director, Enforcement and Street Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
