Dear Chair and Members,

Re: Residential Demolition Application at 9 Silver Birch Avenue

I am recommending that the Toronto and East York Community Council add to the agenda the attached report from the Deputy Chief Building Official and Director, Toronto and East York District.

This report seeks to consider an application for the demolition of the existing detached house at 9 Silver Birch Avenue.

This report did not meet the TEYCC July agenda closing. I am recommending we add this important report as new business to be considered at the July TEYCC meeting.

Respectfully,

Brad Bradford
Toronto City Councillor
Beaches-East York | Ward 19
