Dear Chair and Members,

**Re: Hutton Avenue – Traffic Calming**

**BACKGROUND:**

Residents have reached out to my office with concerns about pedestrian safety on Hutton Avenue and on surrounding neighbourhood streets. Our office has received a petition from residents in support of the installation of speed humps on Hutton Avenue.

I am requesting that speed humps be installed on Hutton Avenue, between O'Connor Drive and Plains Road

**RECOMMENDATION:**

It is recommended that:

1. Toronto and East York Community Council authorize the installation of traffic calming (three speed humps) on Hutton Avenue, between O'Connor Drive and Plains Road, generally as shown in Drawing No. 788, dated June 2026, from the Director, Enforcement and Street Management, Transportation Services.

Respectfully,

**Brad Bradford**
