Dear Chair and Members,

**Re: Aldridge Avenue – Traffic Calming**

**BACKGROUND:**

Residents have reached out to my office with concerns about pedestrian safety on Aldridge Avenue and on surrounding neighbourhood streets. Our office has received a petition from residents in support of the installation of speed humps on Aldridge Avenue.

I am requesting that speed humps be installed on Aldridge Avenue, between Danforth Avenue and Murdock Avenue.

**RECOMMENDATION:**

It is recommended that:

1. Toronto and East York Community Council authorize the installation of traffic calming (three speed humps) on Aldridge Avenue, between Danforth Avenue and Murdock Avenue, generally as shown in Drawing No. TC-789, dated June 2026, from the Director, Enforcement and Street Management, Transportation Services.

Respectfully,

**Brad Bradford**
