(June 15, 2026) Report from the Senior Manager, Heritage Planning, Urban Design, City Planning

Summary

At its meeting on July 6, 2026 the Toronto Preservation Board considered Item [PB46.11](#) and made recommendations to City Council.

Summary from the report (June 15, 2026) from the Senior Manager, Heritage Planning, Urban Design, City Planning:

This report recommends that City Council approve the alterations proposed for the designated heritage properties at 30-32 and 38-40 Huntley Street and 122-124 Isabella Street under Section 33 of the Ontario Heritage Act, in connection with a development on the subject property, and that Council grant authority to enter into a Heritage Easement Agreement.

The property contains three properties designated under Part IV of the Ontario Heritage: 30-32 Huntley Street; 38-40 Huntley Street; and 122-124 Isabella Street. The property also contains 34 Huntley Street, a property listed on the City of Toronto's Heritage Register that staff have determined does not meet the criteria under Ontario Regulation 9/06 of the Ontario Heritage Act and will be demolished as part of the proposal.

On May 25, 2026, Council stated its intention to designate 30-32 Huntley Street, 38 and 40 Huntley Street and 122-124 Isabella Street under Part IV, Section 29 of the Ontario Heritage Act.

The proposed development application for the subject site includes the relocation of the two heritage buildings on the development site and the construction of a residential tower. Heritage Planning staff are satisfied that the proposed alterations conserve the subject heritage properties and are consistent with the existing policy framework.

Heritage Planning staff are satisfied that the proposed alterations conserve the onsite heritage properties and are consistent with the existing policy framework. The heritage impacts of the proposal are appropriately mitigated by the overall conservation strategy.
