Re: Traffic Calming – Boulton Avenue

Dear Councillor Moise and Toronto and East York Community Council,

Residents have reached out to me with concerns about speeding on Boulton Avenue between First Avenue and Dundas Avenue.

We received a petition from local residents with 53% support. In a subsequent confidential ballot, there was 86% support from affected households.

For the sake of public safety, I am supportive of the installation of speed humps on this street.

RECOMMENDATION:

1. Toronto and East York Community Council authorize the installation of traffic calming (five speed humps) on Boulton Avenue, between First Avenue and Dundas Street East, generally as shown in Drawing No. TC-673, dated March 2026, from the Director, Enforcement and Street Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
