Dear Chair and Members,

Re: Frater Avenue – Traffic Calming

BACKGROUND:

Residents have reached out to my office with concerns about pedestrian safety on Frater Avenue and on surrounding neighbourhood streets. Our office has received a petition from residents in support of the installation of speed humps on Frater Avenue.

I am requesting that speed humps be installed on Frater Avenue, between Woodmount Avenue and Woodbine Avenue

RECOMMENDATION:

It is recommended that:

1. *Toronto and East York Community Council authorize the installation of traffic calming (three speed humps) on Frater Avenue, between Woodmount Avenue and Woodbine Avenue, generally as shown in Drawing No. TC-758, dated June 2026, from the Director, Enforcement and Street Management, Transportation Services.*

Respectfully,

Brad Bradford

Toronto City Councillor
Beaches-East York | Ward 19
