Toronto, ON M5H 2N2

Re: Traffic Calming – Rhodes Avenue

Dear Councillor Moise and Toronto and East York Community Council,

Residents have shared concerns about speeding on Rhodes Avenue, north of Fairford Avenue. This is a residential street, near an elementary school.

Residents submitted a petition with 23 signatures in support of speed humps. In a confidential follow up ballot, there was 65% support from households on the affected stretch for the installation of these traffic calming measures.

I am supportive of the installation of speed humps.

RECOMMENDATION:

1. Toronto and East York Community Council authorize the installation of traffic calming (five speed humps) on Rhodes Avenue, between Fairford Avenue and the north end of Rhodes Avenue, generally as shown in Drawing No. TC-748, dated June 2026, from the Director, Enforcement and Street Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
