Toronto, ON M5H 2N2

Re: Dingwall and Carlaw Avenue - Traffic Calming

Dear Councillor Moise and Toronto and East York Community Council,

Residents on Dingwall Avenue, between Pape Avenue and Carlaw Avenue, and Carlaw Avenue, between Dingwall Avenue and Riverdale Avenue, shared significant traffic safety concerns with my office as construction of the Ontario Line has proceeded. They have provided community feedback and completed a confidential ballot showing majority support for the installation of speed humps on Dingwall.

Recommendations:

1. Toronto and East York Community Council authorize the installation of traffic calming (four speed humps) on Dingwall Avenue, between Carlaw Avenue and Pape Avenue, generally as shown in Drawing No. TC- 769, dated June 2026, from the Director, Enforcement and Street Management, Transportation Services.
2. Toronto and East York Community Council requests staff maintain Watch Your Speed signs along Dingwall Avenue, between Pape Avenue and Carlaw Avenue, and Carlaw Avenue, between Dingwall Avenue and Riverdale Avenue, until the Ontario Line begins service.
3. Toronto and East York Community Council authorize Transportation Services to restore the previous permit parking regulations on the odd (south) and even (north) sides of Dingwall Avenue, from Carlaw Avenue to Pape Avenue.
4. Toronto and East York Community Council requests Transportation Services and TTC report back to the next TEYCC meeting regarding responsibility for the convex mirrors installed along Dingwall Avenue, between Carlaw Avenue and Pape Avenue.
5. Toronto and East York Community Council requests Transportation Services maintain a permanent 20 km/h speed limit along Dingwall Avenue, between Pape Avenue and Carlaw Avenue, and Carlaw Avenue, between Dingwall Avenue and Riverdale Avenue, until Ontario Line construction concludes.
