**Dewhurst Boulevard and Strathmore Boulevard – All Way Stop Control**

Dear Chair and Members of the Toronto and East York Community Council,

The all-way stop control at Dewhurst Boulevard and Strathmore Boulevard was installed for the duration of the Donlands Second Exit construction to facilitate safe crossing.

Residents have shared concerns about the removal of this safety feature and have expressed the need for the stop signs to be reinstalled to ensure safe crossing now that traffic has stabilized.

Maintaining safe crossing at this location is integral as there are a few schools in close proximity to this location.

**RECOMMENDATION:**

It is recommended that:

1. Toronto and East York Community Council authorize all-way compulsory stop control at the intersection of Dewhurst Boulevard and Strathmore Boulevard.

Sincerely,

Paula Fletcher  
City Councillor Ward 14, Toronto-Danforth
