OSSINGTON BIA

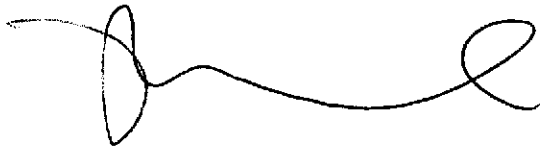

February 17, 2026

To Whom it May Concern,

The Ossington BIA is supportive of our member businesses making entrepreneurial efforts to add to the positive energy, enhancing the public realm (by way of patios, liquor licenses, public art, greenery, marketing displays, etc.) increasing to the vibrancy of the community, within legal parameters, subject to meeting City of Toronto, AGCO and other appropriate applicable requirements.

Central Restaurant located at 114 Ossington Ave has been a welcomed addition to the Ossington Strip by bringing a great family-friendly hospitality establishment to the neighbourhood with some wonderful patio space too.

Sincerely,

Meg Marshall

On behalf of the Ossington BIA Board of Management
