Subject: [External Sender] Deferral Request - TE29.34 - 33 Yorkville - Noise Exemption Permit Refusal Appeal
Date: February 18, 2026 5:09:51 PM

Good afternoon,

Please be advised that Goodmans LLP has now been retained by PEM (Yorkville) Holdings Inc. (our "Client") in relation to the above noted matter. Our Client is reviewing and considering further information provided to it in relation to community input for its noise exemption permit request at 33 Yorkville Avenue. To allow our Client to effectively review and respond to that input, they request that item TE29.34 - 33 Yorkville - Noise Exemption Permit Refusal Appeal be deferred for consideration to the April 1, 2026 meeting of the Toronto and East York Community Council. We write to provide advance notice of this deferral request as a courtesy to Community Council.

Please note that I have registered to speak to the matter at Toronto and East York Community Council tomorrow and I expect to attend virtually for that purpose. Weather and timing permitting, I may attend in person.

Please acknowledge receipt of this email at your convenience and advise if you require anything further in advance of tomorrow's meeting to allow this deferral request to be considered well.

Best,

Rodney Gill
