**TE32.46 - Pedestrianizing Church Street Pilot**

Dear Councillor Moise and members of Toronto and East York Community Council,

Cycle Toronto is writing in enthusiastic support of the proposed pedestrianization pilot on Church St this summer. Thank you, Councillor Moise, for championing this project in Ward 13. Our only reservation is it can't come soon enough!

We are confident its success can help usher similar future activations in other parts of the city.

Thank you for your attention to this matter.

Michael Longfield  
Executive Director
