

TE33.3 - 419-431 College Street - Official Plan and Zoning By-law Amendment Application Decision Report – Approval

To the Chair and Members of the Toronto and East York Community Council,

After sending my first email with my concerns, I decided with others who also wish to save Sneaky Dees and surrounding buildings, to create a petition to gain traction and support.

In only 24 hours we managed to get over 100 signatures of those who wish to show support for their favourite live music venue and support the businesses you will be taking away with these new condos.

Please take a moment to read the attached forms below to see just how many came together so quickly in hopes to save their community.

Thank you for your time,

Jaime Jenkins.
