Re: URGENT: Opposition to Amendment for 419-431 College Street (Sneaky Dee's)

Dear Councillor,

I am writing to you today as a registered voter and a concerned citizen residing in Toronto.

I am contacting your office specifically regarding the proposed Amendment of the Official Plan and Zoning By-law for 419-431 College Street, the current site of the cultural landmark Sneaky Dee's.

I am stating my position clearly: I expect you to DENY this application for amendment. It is my understanding that a denial by the City Council is necessary to trigger provincial action through the Ontario Land Tribunal (OLT) and the Ontario Government. We need a decisive stand, not a quiet approval.

Please be advised of the following:

**No Concessions:** I am not interested in "community benefits," concessions, or compromises from the developer. We have seen this approach fail before; similar concessions effectively ended the legacy of the Silver Dollar Room. I do not want to see a repeat of that failure here.

**The July 8th Vote:** I will be closely monitoring your vote on July 8th. This decision will be the primary factor in how I cast my ballot on October 26th.

**Political Consequences:** If you vote to approve this application, I (along with many other residents in this ward) will be actively supporting and voting for your opponent in the upcoming election.

Our city's cultural heritage is not for sale. I look forward to seeing you stand up for your constituents by voting NO on July 8th.

Sincerely,

**From:**
