July 8, 2026

Toronto & East York Community Council

240 McCaul Street
City of Toronto

For 45 years, Ronald McDonald House Toronto has helped families stay close to their seriously ill or injured child during treatment.

Ronald McDonald House Toronto provides **accommodation, meals, education, wellness programs and compassionate support** that help families stay together when it matters most.

In 2025, Ronald McDonald House Toronto supported **4,724 families from 4,868 communities across Canada**, providing 31,126 nights of comfort and care through Ronald McDonald House and seven Ronald McDonald House Family Room programs.

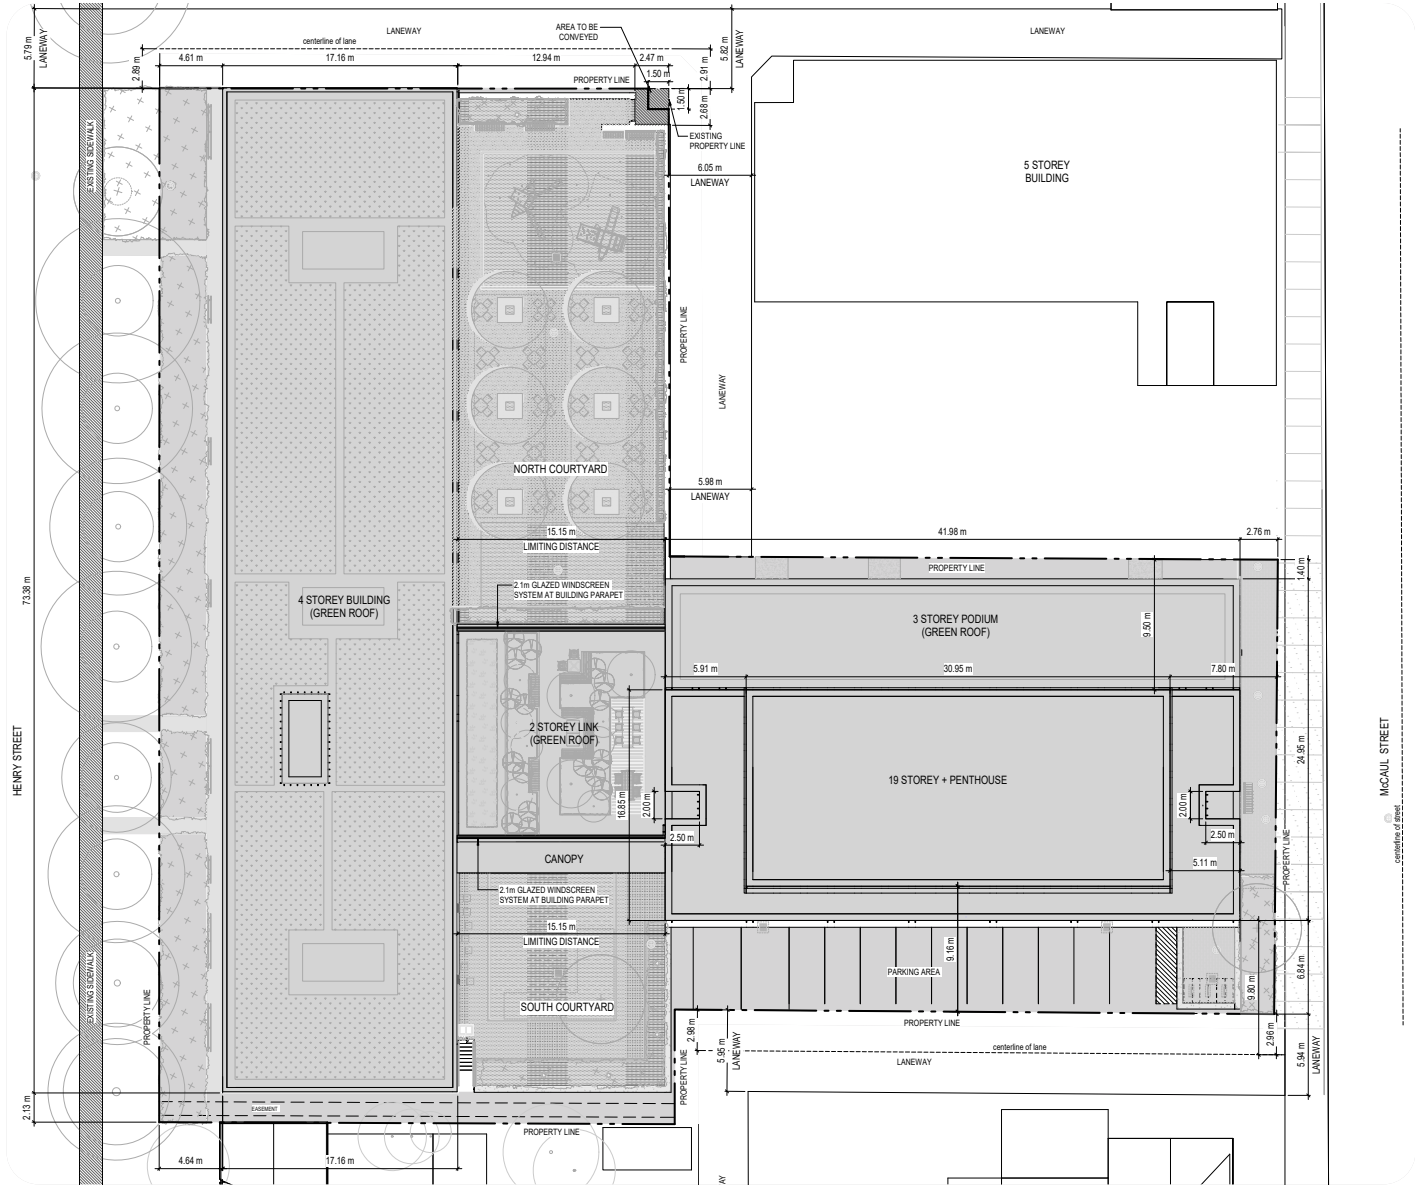

Ronald McDonald House Toronto has a waitlist every night, and **demand for our programs and services continues to exceed our current capacity.**

As The Hospital for Sick Children (SickKids) continues to grow and paediatric care becomes increasingly specialized, **Ronald McDonald House Toronto remains an essential part of family-centred care**, ensuring families can stay close throughout their child's treatment.

Ronald McDonald House Toronto is an important partner in delivering family-centred care, helping families stay close when it matters most.
