Logan Avenue - Parking Amendments (Frankland School)

Dear Councillor Moise and Toronto and East York Community Council,

The principal of Frankland Community School (816 Logan Avenue) has reached out to my office regarding the need for a designated School Bus Loading Zone on Logan Avenue, south of Danforth.

Currently, there isn't an area for students to safely load into their school buses on Logan Avenue.

The elected school board Trustee Sara Ehrhardt has also provided her support of this installation.

I am supportive of staff's recommendations to install a loading zone here to facilitate safe drop off and pick up of students at this location.

Sincerely,

Paula Fletcher
