To Toronto and East York Community Council and Councillor Saxe,

Please post this email on the agenda.

Mr. Stan Krawitz, the owner of 421 College and 431 College Street has instructed me to be clearly express his support for a deferral of this matter to enable further discussion.

In addition, I confirm that should this matter be deferred at the July 8, 2026 Community Council meeting, the owner will not appeal this application to the OLT during the deferral period, which concludes when Council resumes in January 2027.

Please contact me should you require anything else.
