Subject: [External Sender] ZB20.2 - Toronto Zoo Operational Update
Date: February 25, 2026 9:18:01 AM

Please publish this email. Please transform Toronto Zoo from a zoo into a sanctuary that doesn't breed, sell, trade, or zootherize excess animals. Phase out the captive animals and turn the Toronto Zoo into an expansion of Toronto Wildlife Centre for rehabilitation and release of local wildlife. Nicole Corrado
