Arts
AT THE
MARKET

2024 CALL FOR APPLICATIONS

PROGRAM BACKGROUND

The St. Lawrence Market district is a vibrant and inspiring part of Toronto's history and a constant hub of activity in the heart of the city. For each of our merchants, vendors and artisans, the Market is their life's work; their pride, care and singular passion is the reason, over 220 years later, the Market continues to thrive.

This is an exciting time for the St. Lawrence Market district and a key period of transition, in preparation for the North Market Redevelopment. The Arts at the Market program provides local artists and makers with a unique opportunity to exhibit their high-quality handmade items at this popular destination for locals and tourists, animating the Market's outdoor areas with evolving product offerings for the duration of the redevelopment.

Arts at the Market draws on the longstanding tradition of fine handmade goods at St. Lawrence Market and celebrates the unique talents of local artisans. These artisans will fill the outdoor spaces of the Market with fresh, lively and creative energy from Easter through to October, adding vivacity to the district. The distinctive blend of local arts and crafts is matched only by the variety of high quality fresh food items found inside St. Lawrence Market. Arts at the Market is a wonderful complement to one of the world's top markets.
