

## **AGENDA**

Gardiner East Contaminated Soil Monitoring and Review Committee  
(GECSMRC)  
October 22, 2009  
6:30pm – 8:30pm

South Riverdale Community Health Centre - 955 Queen Street East

### **1. Welcome and Introductions**

### **2. 2009 Soil Report Overview** - John Minor

### **3. Soil Report Discussion**

- review comments/questions submitted

### **4. Overall Process governing Soil Testing and Groundwater Monitoring**

- defining process
- concern re: uncertainty in process

### **5. Defining Terms of Reference for Committee**

#### Concerns:

- not complete/ open-ended duration
- specified meeting schedule
- schedule and type of soil testing
- limitations in visual inspections
- **Defining Committee involvement/decision making in requests for future soil testing**
  
- Confirm formal process needed to define a “final ToR”
- see City Council report, Jul 30, 31, Aug 1, 2002 -

*“Council refer the following motion to the Commissioner of Works and Emergency Services for resolution in consultation with Councillor Layton:”*

*“It is recommended that the South Riverdale Environmental Liaison Committee Monitoring Sub-Committee develop terms of reference bearing in mind suggestions contained in the communication dated June 24, 2002, from Councillor Layton (as embodied in this clause.)”*

### **6. Signage – wording and locations** (unresolved from April 18, 2006)

- a. review proposals (City and Committee)
- b. confirm next steps

### **7. Reports not received by resident members of this Committee.**

- Where/How can reports be obtained?

### **8. Other Important Questions and Recommendations**

(sites A and B) and Portlands

### **9. Next Steps**

(Future Testing, Terms of Reference, Signage, Next Meeting)
