**Overview**

Today's workshop provides an opportunity for the Hillside Drive/Broadview Avenue community to review the Green Street Project, discuss design options for streetscape improvements, and ask questions of City staff.

During the group discussions, this workbook will help foster conversations and encourage participants to provide comments.

Comments collected today will help finalize a preferred streetscape solution for the Hillside Drive Green Street Project.

*Please return this completed workbook to the registration table after the workshop as a formal record of your individual input. You can continue to submit comments by email or phone until September 24<sup>th</sup>.*
