

City of Toronto
Divisional Business Expenses
For the six months ended June 30, 2016

Division:	Strategic & Corporate Policy
------------------	---

Division Summary	
Annual Budget (Gross):	\$3.79 million
No. of Employees:	27
Description:	
<p>The Division ensures responsiveness to City Council and citizens, facilitates improved service delivery, promotes the City's interests in legislative affairs, and set policy for initiatives. It leads corporate projects, reports and policy development such as a Toronto Public Service Framework and By-law, and the Ward Boundary Review. It provides advice and support to the City Manager and Council on various intergovernmental matters, including the preparation of formal submissions to, and negotiating and administering agreements and funding programs with other levels of government. It supports effective Council and Committee governance structures and processes. It also develops and implements participatory civic engagement models, processes and tools to support Council decision making and corporate policy initiatives.</p>
