Councillor Michael Thompson
City of Toronto

Good afternoon Councillor

On behalf of Nicholas Rémillard, CEO of the International Economic Forum of the Americas and myself, it is our pleasure to invite you to attend the Montreal Conference June 13-16, 2016. As a valued partner of the Toronto Global Forum and a member of its Advisory Board, we are committed to helping you promote economic development for the City of Toronto. The Conference offers excellent opportunities for you to network with global business and government leaders, most of whom do not attend the Toronto Global Forum.

The Conference of Montreal will be held at the Bonaventure Hotel. The Conference and associated private events afford great opportunities for you to meet with domestic and international business leaders. In addition, we would be pleased to arrange bilateral meetings at the Conference with whomever you deem relevant to promoting economic development for the City of Toronto.

So that you can determine your potential effectiveness at the Conference, I have attached the most current Preliminary Agenda and confirmed speakers.

I understand through your office that you may be able to attend only the Sunday night dinner and the day Monday due to commitments you have in Toronto on Tuesday June 14. Accordingly, as our guest, the International Economic Forum of the Americas will arrange return economy airfare from Toronto to Montreal with a suggested outbound date of Sunday June 13th and a return flight on Monday evening June 14th. We will also arrange for hotel accommodation from Sunday with a checkout date of Monday June 14th. Ground transportation will be provided to and from the airport in Montreal.

Councillor, I hope you will be able to take advantage of the economic development opportunities for Toronto by attending the Conference of Montreal. I hope it's also helpful that your participation will come at no cost to the City. Please let me know as soon as possible if you can attend and if the dates outlined above are acceptable.

Thank you and I look forward to hearing from you.

Joe
