**Purpose**  
To obtain authority to acquire a permanent easement from Giovanni Lepri & Susan Kim Eng (the "Owners") on a portion of the Owners' property to provide a larger working area for future repairs/maintenance requirements related to an existing municipal watermain and combined sewer located on an adjacent property.

**Property**  
The northern portion of the property municipally known as 189 Cedric Avenue, Toronto, Ontario; labelled as "Part 1" in the attached sketch (2016-035) in Appendix "A" and legally described as Part of Lot 99, Plan 1636 (PIN 104560538).

**Actions**

- Authority be granted to acquire a permanent easement on the Property to assist with the necessary repairs and maintenance of the existing municipal infrastructure on an adjacent property on the terms and conditions set out below, and on such other or amended terms and conditions as may be satisfactory to the Chief Corporate Officer, and in a form acceptable to the City Solicitor.
- The Chief Corporate Officer or designate shall administer and manage the easement including the provision of any consents, approvals, waiver notices, and notices of termination provided that the Chief Corporate Officer may, at any time, refer consideration of such matter to City Council for its determination and direction.
- The City Solicitor be authorized to complete the transactions on behalf of the City, including payment of any necessary expenses and amending and waiving terms and conditions, on such terms as the City Solicitor considers reasonable.
- The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

**Financial Impact**  
The following costs will be incurred by the City in connection with the agreement:

- Permanent Easement Payment = \$8,000.00
- Land Transfer Taxes (Provincial) = \$40.00
- Legal Fee Reimbursement = Up to \$1,500.00 (inclusive of all taxes)
- Registration Costs = \$200.00 (approximately)

Funding for these costs (totaling \$9,740.00) is available in the 2016 Council Approved Capital Budget for the Toronto Water Division under capital account CPW537-05.

The Deputy City Manager & Chief Financial Officer has reviewed this DAF and agrees with the financial impact information.

**Comments**  
Recently, the Toronto Water Division discovered that an existing 150mm diameter watermain and 300mm diameter combined sewer line that pass through 191 Cedric Avenue were not protected by an easement in favour of the City of Toronto. Through an agreement that was authorized by DAF #2015-142 and DAF #2015-291, the City of Toronto secured a permanent easement at the property to properly document its interest on a portion of the property (setback area) that contains both lines. The easement lands is not significant in area making future repairs and maintenance to both lines difficult for staff and its contractors. In an effort to assist with future potential repairs/maintenance requirements, the City has requested to acquire a permanent easement at the adjacent property (189 Cedric Avenue) which would provide a greater area to perform all necessary work on the lines.

City staff have contacted the Owners and they have agreed to enter into a permanent easement agreement with the City of Toronto for the Property. City staff consider the terms of the agreement to be fair and reasonable.
