Purpose	To authorize a first interim business loss compensation agreement (the "Agreement") with 1559197 Ontario Inc., carrying on business as Rose Car Wash (the "Tenant") at the property known municipally as 3925 Keele Street, resulting from the construction of the Toronto-York Spadina Subway Extension Project (the "Project").
Property	3925 Keele Street West as set out in Appendix "A" and shown on Appendix "B"
Actions	<ol style="list-style-type: none"> 1. Authorize the execution of the Agreement with the Tenant, substantially in accordance with the terms and conditions outlined in Appendix "A" and the Confidential Attachment. 2. The Confidential Attachment should remain confidential until there has been a final determination of all property transactions and claims for compensation related to the Project. 3. Authorize the City Solicitor to complete the transaction on behalf of the City, including paying any necessary expenses and applicable HST, if any, amending the closing, due diligence and other dates, and amending and waiving terms and conditions, on such terms as she considers reasonable and necessary.
Financial Impact	<p>The total property acquisition costs for the Project are shared by the Move Ontario Trust, the City and the Regional Municipality of York. Funding for the interim Agreement as set out in the Confidential Attachment is available in the Council Approved TTC 2015 Capital Budget and TTC 2016-2024 Capital Plan within the Toronto-York Spadina Subway Extension Capital Project.</p> <p>The Deputy City Manager and Chief Financial Officer has reviewed this DAF and agrees with the financial impact information.</p>
Comments	<p>Utility and water main construction for the Project began in January 2011. In June 2011, the subway's Emergency Exit Building ("EEB") construction began and shortly thereafter, Attique Asad, the owner of Rose Car Wash contacted the TYSSE Construction Information Line complaining that he was suffering business losses as a result of blocked and damaged driveways, lane restrictions and the road detour on Keele Street.</p> <p>The TTC Senior Inspector has confirmed that at times the construction in front of the business blocked both driveways giving access to the business and that damage to the driveways had to be repaired. Lane restrictions on Keele Street along with the Keele Street detour around the EEB construction area meant that cars experienced traffic delays or when using the detour bypassed the business.</p> <p>Mr. Asad has requested compensation for the business loss suffered due to these business disruptions.</p> <p>The City's business loss consultant and the City Solicitor's recommendations are the basis for a first interim compensation agreement for business loss which the Tenant has incurred as a result of the construction of the Project and which is being recommended for approval.</p>
Terms	Substantially as set out in the Confidential Attachment.
