Prepared By:	Carla Inglis	Division:	Acquisitions and Expropriations
Date Prepared:	March 16, 2015	Phone No.:	2-7214
Purpose	<p>To obtain authority to enter into a pipeline crossing agreement (the "Agreement") with Sun-Canadian Pipeline Company Limited, (the "Owner") in, over and upon a portion of the Finch Hydro Corridor for the purposes of constructing the TTC Finch West Station Commuter Parking Lot and such works ancillary and complementary to the Toronto-York Spadina Subway Extension Project.</p>		
Property	<p>Portion of the Finch Hydro Corridor shown on Appendix "B"</p>		
Actions	<ol style="list-style-type: none"> 1. Authority be granted to execute an Agreement with the Owner for the purposes of constructing the TTC Finch West Station Commuter Parking Lot on the property as shown on Appendix "B" and substantially on the terms set out in Appendix "A"; and 2. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto. 		
Financial Impact	<p>The costs associated with this DAF do not exceed \$110,500. Funding is available in the Council Approved TTC 2015 Capital Budget and TTC 2016-2024 Capital Plan within the Toronto-York Spadina Subway Extension Capital Project.</p> <p>The Deputy City Manager and Chief Financial Officer has reviewed this DAF and agrees with the financial impact information.</p>		
Comments	<p>In September 2006, City Council approved the allocation of capital costs for the Toronto-York Spadina Subway Extension Project between the City of Toronto and the Region of York. In general, allocation was based on recognition of municipal boundaries and responsibilities and of shared system infrastructure to benefit both parties. In 2011, the Toronto Transit Commission ("TTC") commenced construction of the subway line consisting of seven subway stations and extending from Downsview Subway Station in the City of Toronto to Vaughan Corporate Centre at Highway 7 in York Region.</p> <p>In connection with the Finch West Subway Station, a commuter parking lot is to be constructed on a portion of the Finch Hydro Corridor between Tangiers Road and Keele Street. In order to proceed with construction of the commuter parking lot, DAF 2014-164, dated August 18, 2014, authorized the execution of a three (3) year construction licence with Her Majesty the Queen in right of the Province of Ontario as represented by the Minister of Infrastructure. However, the Owner's underground pipelines are located in this portion of the corridor, as shown on Appendix "B", and an Agreement with the Owner is required.</p> <p>Negotiations with the Owner have reached concurrence as to terms and conditions in the crossing agreement, substantially set out in Appendix "A". They are considered to be fair and reasonable and are being recommended for approval.</p>
