Prepared By:	Loretta Ramadhin	Division:	Real Estate Services								
Date Prepared:	August 24, 2015	Phone No.:	416-392-7169

	The Deputy City Manager & Chief Financial Officer has reviewed this DAF and agrees with the financial impact information.										
Comments	Parks, Forestry & Recreation (PF&R) has to replace the existing pedestrian bridge which crosses Black Creek at Chalk Farm Park to the rear of North York Sheridan Mall. To meet new design standards for accessibility and storm/flood impact, the new bridge must have a wider span than the existing bridge. The new design for the bridge requires concrete footings that extend onto the private property of North York Sheridan Mall. A permanent easement will be required over Part 1 and a temporary easement over Part 2 for construction as shown on the draft R-plan in Appendix A. While negotiations on value of these easements continue, PF&R requires the access licence as the Works are necessary for design and obtaining permits for construction which can be time consuming. The bridge has already been closed for a year and the Licence Agreement will assist in expediting the process and avoiding bridge closure for another year.
