Prepared By:	Simona Rasanu	Division:	Real Estate Services
Date Prepared:	April 24, 2017	Phone No.:	416-397-7682
Purpose	To obtain authority for the City of Toronto as licensee (the "City") to enter into a licence revival, extending and amending agreement (the "Extending Agreement") with Rogers Communications Inc. (the "Licensor"), for the use of a portion of the Licensor's property at 10 Dyas Road (the "Property"), to facilitate a paving replacement project at the City-owned property at 2 Dyas Road (the "City Lands").		
Property	Portion of the Property as shown on Appendix "A" (the "Licensed Lands")		
Actions	<ol style="list-style-type: none"> 1. Authority is granted for the City to enter into the Extending Agreement with the Licensor for the use of the Licensed Lands, subject to the terms and conditions outlined herein, and on such other or amended terms as may be satisfactory to the Chief Corporate Officer and in a form acceptable to the City Solicitor; 2. The Chief Corporate Officer or designate shall administer and manage the Extending Agreement, including the provision of any amendments, consents, approvals, waivers, notices and notices of termination provided that the Chief Corporate Officer may, at any time, refer consideration of such matter to City Council for its determination and direction; and 3. The appropriate City officials are authorized and directed to take the necessary action to give effect thereto. 		
Financial Impact	The City will pay a nominal fee of \$1.00.		
Comments	<p>The City is undertaking a series of site improvement capital projects at the City Lands, which lands are managed by Facilities Management division and operated by Toronto Police Services. One of the projects is a pavement rehabilitation project (the "Project") that will involve replacing the City's concrete curb abutting the east side of the Property with a new raised concrete curb that will create a new physical barrier between the Property and the City Lands.</p> <p>The City's contractor will need to infringe onto the Property and excavate approximately 12 inches from the edge of the existing curb line dividing the two properties. A further area extending approximately 18 inches will function as a construction zone and will be barricaded by a construction fence. Therefore the total infringement width from the existing curb will be approximately 30 inches.</p> <p>The Project was originally scheduled to be undertaken between August 15, 2016 and December 31, 2016. DAF 2016-178, which was approved on August 12, 2016, authorized the City to enter into a licence agreement (the "Licence") with the Licensor to allow the City's contractor to access the Property. Due to unforeseen delays, the Project was not completed and required to be rescheduled to spring 2017.</p>		
Terms	<p>The Extending Agreement will involve two changes in comparison with the Licence.</p> <p>Term: Two (2) months commencing April 18, 2017 and expiring June 17, 2017.</p> <p>Licensed Lands: Reduced to comprise only the portion of the Property identified as the "Construction Area" and illustrated on Appendix "A".</p> <p>All other provisions of the Licence will remain the same. Real Estate Services staff have reviewed the revised terms and are satisfied that they are fair and reasonable.</p>
